## MONTH OF JANUARY

What a special month! It's January again! Another whole year has come and gone. How quickly time flies...isn't it true? We thank God for giving us this past year, so full of graces and other special gifts. God is so good to us. He is with us always.

We thank God in a special way for giving us His Mother. We honor Mary, the Mother of God. Let us join together and ask Mary to take us by the hand and stay with us, so that we will spend this next year as she would.

This means trying to love others as Jesus would love them, by: being kind to our neighbor, even when it is hard; being forgiving to someone who pushes or shoves or says an unkind word; being helpful; and being generous.

But especially we can try to pray a little more; to follow the Liturgy well; and to receive the sacraments often.

*This is a New Year...*a time when we should make a special effort to become better. We can all ask ourselves, "What can I do to make this year better than last year?"

## MOMENT WITH GOD

A moment spent with God restores...The insight which we need.

A moment spent with God prevents...A hateful word or deed.

A moment spent with God can turn...Profound despair to hope.

A moment spent with God converts...Un-wisdom to sound sense.

A moment spent with God can change...deep fear to confidence.

A moment spent with God can set...the sin-bound captive free.

A moment spent with God transforms...defeat to victory.

## UNDERSTANDING HEART

God grant to me that I may see the beauty of a crooked tree, the blossom of a humble weed, the glory of a homely deed, the pathos of a homeless pup, the way to lift a brother up. Oh, grant to me the highest art....Give me an understanding heart!

## DAILY PROMISES

Promise yourself to be so strong that nothing can disturb your peace of mind.

To talk health, happiness, and prosperity to every person you meet.

To make all your friends feel that there is something good in them.

To look at the sunny side of everything and try to make your optimism come true.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past, and press on to the greater achievements of the future.

To wear a cheerful countenance at all times, and to give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others. To be too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
