*O Prophet who foretold the coming of Christ, you are forever in the presence of God's glory, and you intercede for those who are suffering. Since you serve the majesty on High, you bless the whole world and are glorified everywhere. Now obtain for us the forgiveness of our sins.*

### **LIFE**

Life is part one, two and three.  
The past, the present, and the yet to be.  
The past is written and laid away...we cannot recall it.  
The present we are writing day by day.  
Live it right; there may not be another day or night.  
The third, the yet to be, we know not what...only God holds the key.

### **POWER IN KINDNESS**

I often wonder why people do not make more of the marvelous power there is in kindness. It is the greatest lever to move the hearts of people that the world has ever known...greater by far than anything that mere ingenuity can devise or suggest. Kindness is the kingpin of success in life. It is the prime factor in overcoming friction and making the human machinery run smoothly.

### **CHRIST OUR MODEL**

When you ask Christ to be your friend, you ask the aid of one who has traveled many roads. Does your path lead over dark and difficult trails? He went that way. Have intimate friends failed you and even pierced you by stark betrayals? He went that way. The difficult burdens that we know daily fell on His shoulder, too. Thus, He walks beside us, an understanding, sympathetic Friend!

### **NATURE TENDS TO HAPPINESS**

There is an evident effort in nature to be happy. Everything blossoms to express beauty, as well as lead to fruitage. Even the inorganic fashions itself into crystals that absorb and flash back the sunlight. If one examines nature with the microscope, or considers the heavens at night, he finds three things: truth as transparent, beauty beyond that which can be spoken, and goodness everywhere. God speaks through all things, with an eternal desire to create happiness. The deep distress in the world comes in when we lose our anchorage of faith in our God.
