FEAST OF GREAT PROPHET ELIJAH

O Prophet who foretold the coming of Christ, you are forever in the presence of God's glory, and you intercede for those who are suffering.

Since you serve the majesty on High, you bless the whole world and are glorified everywhere. Now obtain for us the forgiveness of our sins.

WONDERFUL WORD ENTHUSIASM

Enthusiasm is the key not only to the achievement of great things but to the accomplishment of anything that is worth while. Enthusiasm is a wonderful word, but more, it is a wonderful feeling. It is a way of life. It makes hard work easy...and enjoyable. There is no better tonic for depression, than enthusiasm. No person who is enthusiastic about his work has anything to fear from life. All the opportunities in the world are waiting to be grasped by the people who are in love with what they are doing. I have found enthusiasm for work and life to be the most precious ingredient in any recipe for successful living. And the greatest feature of this ingredient is that it is available to everyone....within himself.

RADIATE HAPPINESS

If you should have the slightest difficulty in keeping a smile upon your face, just keep your heart smiling!

When his heart smiles, one is so filled with smiles and happiness that his countenance just breaks forth into smiling.

The smiles of the smiling heart are not cold or assumed; consequently when the warm, generous smiles of the smiling heart express themselves, smiles radiate in every direction. In the smiling heart are Love and God!

FRIENDS ARE PRECIOUS

Make all the friends you can. Keep all the friends you make. And when you meet a stranger, give his hand a hearty shake. For of all the countless treasures which in time may come your way, there will be nothing quite as precious as the friends you make today.

LOVE ENLIGHTEN

Love is the sunshine of the soul. Without it we get hard and sour, and we never grow into what we could be. Love sweetens the bitterness of experience, and softens the core of selfishness which is inherent in human nature.

EVERYTHING BEGINS AT HOME

Home is the beginning point; not just the good, but all too often what is evil also. Honesty begins at home. Respect for law and order begins at home. A sense of duty begins at home. Respect for people of other color and creed begins at home. And religion has its first beginning in the home.
