## LIFE IS A JOURNEY

*LIFE is a journey*.....not a home; a road, not a habitation. And the enjoyments and blessings we have along the way are but little inns on the roadside, where we may be refreshed for a moment that we may with new strength press on to the goal.

You will meet today ten men and women; perhaps twenty, or perhaps a hundred. Every one of them will have his or her day brightened or darkened by the tone and manner of your greeting.

You can put a little more spring into the step and a little more joy into the heart of every one of them by a cheerful, confident salutation.

Every worthwhile accomplishment, big or little, has its stages of drudgery and triumph; a beginning, a struggle, and a victory. A few wise friends with whom to counsel, a few good books to read and absorb, and with courage and faith we are well-equipped for the facing of life's difficulties and disappointments, as well as its pleasures and successes.

Lives are made of chapters. After one is written it cannot be revised, but we can write a new chapter with each new day.

## CHILDREN...TAUGHT BY EXAMPLE

In practicing the art of parenthood an ounce of example is worth a ton of preachment.

Our children are watching us live, and what we are shouts louder than anything we can say.

When we set an example of honesty our children will be honest.

When we practice tolerance they will be tolerant.

When we demonstrate good sportsmanship they will be good sportsman.

When we meet life with laughter and a twinkle in our eye they will develop a sense of humor.

When we are thankful for life's blessings they will be thankful.

When we express friendliness they will be friendly.

When we speak words of praise they will praise others.

When we confront failure, defeat, and misfortune with a gallant spirit they will live bravely.

When our lives affirm our faith in the enduring values of life they will rise above doubt and skepticism.

When we surround them with the love and goodness of God they will discover life's deeper living.

When we set an example of heroic living they will be heroes.

Don't just stand there pointing your finger to the heights you want your children to scale.

*Start climbing and they will follow!*

***FOUR STEPS TO ACHIEVEMENT: plan purposefully, prepare prayerfully, proceed positively, pursue persistently.***

The collection of these photos will make our church's new digital library very robust. And why is that important? We parishioners and all our relatives before us give evidence to the joys and struggles of the people who make up this community and worship in the Byzantine Catholic tradition.
