## PRAYER...PRACTICAL

Prayer is the most practical force in the world today. It is the one way to invest your time that pays off because prayer has a strange and wonderful way of fulfilling its own purpose. When you pray you acknowledge your belief in God and that belief itself answers your prayers. When you pray for courage, the very fact you are asking for courage gives you that courage and adds to your strength. When you pray for wisdom, you put yourself in contact with the fount of all wisdom and open your mind for answers. Even as you pray God is placing the answer in your heart.

## GOD CAN ANSWER PRAYER

If God can make the earth spin just so, if He can cause the seasons that come and go, if He can govern the tides that ebb and flow, God can answer prayer. If God can teach a bird to build a nest, if He can turn the earth from east to west, if He can array lilies in gowns the best. God can answer prayer.

## BUILDING A LIFE

It has been said that one of the best rules for everyday life is to try always;  
To be a little kinder than is necessary.  
To be a little more self-forgetful than we are required to be,  
To be a little more patient than is expected.  
The more of these qualities we build into our lives, the diviner and lovelier our lives will be.

## LOVE

I was just sitting here feeling the loneliness wishing for someone to care. Then I realized...*LOVE* isn't something you strive to get...but something you strive to *GIVE*.

## ASK GOD

I asked God to grant me patience. God said, No. Patience is a byproduct of tribulations; it isn't granted, it is earned.

I asked God to give me happiness. God said, No. I give you blessings. Happiness is up to you.

I asked God to spare me pain. God said, No. Suffering draws you apart from worldly cares and brings you closer to me.

I asked God to make my spirit grow. God said, No. You must grow on your own, but I will prune you to make you fruitful.

I asked God for all things I might enjoy in life. God said No. I will give you life so that you may enjoy all things.

I ask God to help me *LOVE* others, as much as God loves me. God said...Ahhhhh, finally you have the idea.
