## *Life Is a Gift*

*Today before you say an unkind word - Think of someone who can't speak. Before you complain about the taste of your food - Think of someone who has nothing to eat. Before you complain about your husband or wife - Think of someone who's crying out to God for a companion. Today before you complain about life - Think of someone who went too early to heaven. Before whining about the distance you drive Think of someone who walks the same distance with their feet. And when you are tired and complain about your job - Think of the unemployed, the disabled, and those who wish they had your job. And when depressing thoughts seem to get you down - Put a smile on your face and think: you're alive and still around.*

### **SWEETENED LIFE**

The people who find life to be good and who live with joy and confidence are not necessarily the ones who are favored by luck and an easy life.

In fact, often quite the opposite is true; those who have had to struggle against the winds of misfortune, sorrow and defeat often emerge with a strengthened character and faith.

This happens if we live from day to day with a deep trust in the goodness of the creator and the world He has given us.

### **MIND YOUR MANNERS**

Take time to be friendly...it is the road to happiness. Take time to dream.....it is like hitching your wagon to a star.....Take time to love and to be loved.....it is a privilege.....Take time to look around ....it is too short a day to be selfish.....Take time to laugh...it is the music of the soul.

### **BE GIVERS**

Getters generally don't get happiness; givers get it. You simply give to others a bit of yourself,... a thoughtful act, a helpful idea, a word of appreciation, a lift over a rough spot, a sense of real understanding or a timely suggestion. You take something out of your mind, garnished in kindness out of your heart, and put it in another person's mind and heart.

### **WORDS OF WISDOM**

Common sense is seeing things as they are, and doing things as they should be done.

God, guide me to make the right decision and give me the fortitude to cling to it against all pressures and persuasions. Arguing with a fool shows there are two.

Bad habits are like comfortable beds: easy to get into, but hard to get out of.

Smiles generate smiles just as love generates love. Perfection is a long way off, but improvement can be made to happen every day.

*I am not afraid of tomorrow, for I have seen yesterday and I love today.*

### CHURCH HISTORY NEWS

Thanks to everyone who has contributed their family photos or who are digging through their closets to find them. Dave Ragan will be at the church's main entrance after each Liturgy through the end of August to accept your portraits and answer any questions. The collection of these photos will make our church's new digital library very robust. And why is that important? We parishioners and all our relatives before us give evidence to the joys and struggles of the people who make up this community and worship in the Byzantine Catholic tradition. Please consider adding your family's milestones to this collection.
