WHEN WE LOVE OUR CHILDREN

Ultimately love is everything. When we love something it is of value to us, and when something is of value to us, we spend time with it, time enjoying it and time taking care of it. So it is when we love children; we spend time admiring them and caring for them. We give them our time.

SURPRISE THE LORD

Most people wait until they are in trouble, and then pray like the dickens. Wonder what would happen if, some morning, we'd wake up and say, "Anything I can do for *YOU* today, Lord?"

CONSTANT PREPARATION FOR ETERNITY

As much as our loving God wants us to live our life on earth to the fullest, we must also remember the warning to be prepared for death.

Rather than this being the "first day of the rest of our lives," as the saying goes, perhaps we should think about being prepared if this would be our last day!

Would we be prepared? If we knew in advance when we were going to die, what special preparations would we make?

Tell the family and friends that we love them? Pray more frequently? Make peace with our enemies? Give money to a charity? Receive the sacrament of Reconciliation? Go to church? Receive Communion?

When we go through this exercise, don't we realize that we should live *Each Day as if it were our last?*

THINGS YOU WILL NEVER REGRET

Showing kindness to an aged person. Destroying the letter written in anger.

Offering an apology that saves a friendship. Stopping a scandal that is ruining a reputation.

Taking time to show consideration to your parents. Remembering God in all things.

FRIENDSHIP

A kind mouth multiplies friends and gracious lips prompt friendly greetings.

A faithful friend is a sturdy shelter, he who finds one finds a treasure.

A faithful friend is beyond price, no sum can balance his worth.

***WHEN YOU THINK OF ALL THAT'S GOOD,
GIVE YOUR THANKS TO GOD.***
