## SMILE IS CONTAGIOUS

A smile is such a funny thing. It wrinkles up your face, and when it's gone, you have to find its secret hiding place. But far more wonderful it is to see what smiles can do; you smile at one, and he smiles at you, and so one smile makes two. And since a smile can do so much by cheering hearts of care, let's all just keep on smiling till smiles go everywhere.

## PEACE

Do you want peace? Forgiveness offers it. Do you want happiness, a quiet mind, a certainty of purpose, and a sense of worth and beauty that transcends the world? Do you want a quietness that cannot be disturbed, a gentleness that can never be hurt, a deep abiding comfort, and a rest so perfect it can never be upset? All this forgiveness offers you.

## CHILDREN...TAUGHT BY EXAMPLE

In practicing the art of parenthood an ounce of example is worth a ton of preachment.  
Our children are watching us live, and what we are shouts louder than anything we can say.  
When we set an example of honesty our children will be honest.  
When we practice tolerance they will be tolerant.  
When we demonstrate good sportsmanship they will be good sportsman.  
When we meet life with laughter and a twinkle in our eye they will develop a sense of humor.  
When we are thankful for life's blessings they will be thankful.  
When we express friendliness they will be friendly.  
When we speak words of praise they will praise others.  
When we confront failure, defeat, and misfortune with a gallant spirit they will live bravely.  
When our lives affirm our faith in the enduring values of life they will rise above doubt and skepticism.  
When we surround them with the love and goodness of God they will discover life's deeper living.  
When we set an example of heroic living they will be heroes.  
Don't just stand there pointing your finger to the heights you want your children to scale.

*Start climbing and they will follow!*
