SALUTE TO GRADUATES

If there is one occasion in God's year for which the poets should write, the minstrels sing, and the philosophers should provide inspiration, it is graduation time.

Ah, **GRADUATION!** That wonderfully poignant, bitter-sweet experience that visits most of us all too briefly!

Ah, **GRADUATION!** That magical time when all windmills seem conquerable, all wrongs appear right, and all the universe is a mysteriously beautiful and exciting wonderland!

Let us wish a happy graduation season to all those young people who are experiencing the wonderful emotions of graduation and commencement exercises.

May their ideals never become tempered and compromised by the realities of life; and may all their dreams for themselves and for the world come true!

AS YOU GRADUATE

Treasure your memories, but look forward; Cherish your friendships, but reach outward. Learn from your past, but move onward; Live each day with hope, and climb upward.

GRADUATION

You stand upon the threshold of an ever open door; there is no limit to the things the future holds in store. Aim high; for your achievements can goad you to success, and rich rewards of conquest can fill life with happiness.

Treasure every memory that lies in back of you, but rest not upon your laurels for the testing is not through. But ere you take the forward step, to challenge worlds unknown, let's clasp our hands in friendship, for you travel, not alone.

GRADUATES...Shoot for the moon. Even if you miss, you will land among the stars!

SYMBOLISM OF FLAG

When we show respect to our flag, we are showing respect for our country, for its founders, and its ideals. The colors of our flag are significant, too, and were especially chosen for their significance.

The Continental Congress said:

White signifies purity and innocence; *Red*, hardiness and valor; *Blue* signifies vigilance, perseverance, and justice. The Congress no doubt hoped that our nation and its people would live up to those lofty principles.

***GOD BLESS AMERICA!
DEAR GOD, MAKE US WORTHY!***
