HOLY PROPHET, FORERUNNER, & BAPTIST JOHN

Prophet and forerunner of the coming of Christ, although we honor you with love, we cannot give you worthy praise. Through your glorious and holy birth, your mother was freed from barrenness and your father from the loss of speech, and the incarnation of the Son of God is proclaimed to the world.

FATHER MUST SHINE

The Father who invests in the character of his children, who inspires courage in them, and who instructs them in the way of Christ, has attended his children's greatest needs.

The role of the father cannot be underestimated. God has assigned him as spiritual leader in the home and that is life's highest assignment.

The privilege of being a father means more than providing a living and maintaining a home. It is the privilege of sharing a life with sons and daughters, showing what love is and shining a light, by example, to lift their lives to the best.

That father who gives his children a good example, a Godly life, and a great challenge, has given them more than money can buy. He has given them direction...a direction that will reap great dividends in their life.

HIS EXAMPLE

There are little eyes upon you, and they're watching night and day; There are little ears that quickly take in every word you say; There are little hands all eager to do everything you do, and a little boy is dreaming of the day he'll be like you. You're the little fellow's idol, you're the wisest of the wise; In his mind about you no suspicions ever rise; He believes in you devoutly, that all you say and do. He will say and do in your way when he's grown up just like you. Oh, it sometimes makes me shudder when I hear my boy repeat...some careless phrase I've uttered in the language of the street. And it sets my heart to grieving when some little fault I see and I know beyond all doubting that he picked it up from me. There's a wide-eyed little fellow who believes you're always right, and his ears are always open and he watches day and night; You are setting an example every day in all you do ...*For the little boy that's waiting to grow up to be like you.*

PRAYER OF A CHILD

To get his goodnight kiss he stood beside my chair one night and raised an eager face to me, a face with love alight. And as I gathered in my arms the son God gave to me, I thanked the lad for being good, and hoped he'd always be. His little arms crept round my neck and then I heard him say four simple words I can't forget, four words that made me pray. They startled me; I hear them yet, He said, "I'll be like you."
