SWEETENED LIFE

The people who find life to be good and who live with joy and confidence are not necessarily the ones who are favored by luck and an easy life. In fact, often quite the opposite is true.: those who have had to struggle against the winds of misfortune, sorrow, and defeat often emerge with a strengthened character and faith. This happens if we live from day to day with a deep trust in the goodness of the Creator and the world He has given us.

LIFE

Life is part one, two, and three. The past is written and laid away....we cannot recall it. The present we are writing day by day. Live it right; there may not be another day or night. The third, the yet to be, we know not what...only God holds the key.

A FATHER'S PRAYER

Dear God, my Heavenly Father, thank You for my "call" to be a Father. Thank You for my children, each a precious gift from You. May I be for them the kind of loving Father that You are to me. As you have written my name on Your heart, so, too, hold my children near and lavish Your love upon them. Bless, too, all those Fathers who have gone to their rest. May they enjoy the peace that only You can give. Amen.

HIS EXAMPLE

There are little eyes upon you, and they're watching night and day; There are little ears that quickly take in every word you say; There are little hands all eager to do everything you do, and a little boy is dreaming of the day he'll be like you. You're the little fellow's idol, you're the wisest of the wise; In his mind about you no suspicions ever rise; He believes in you devoutly, that all you say and do. He will say and do in your way when he's grown up just like you. Oh, it sometimes makes me shudder when I hear my boy repeat...some careless phrase I've uttered in the language of the street. And it sets my heart to grieving when some little fault I see and I know beyond all doubting that he picked it up from me. There's a wide-eyed little fellow who believes you're always right, and his ears are always open and he watches day and night; You are setting an example every day in all you do*For the little boy that's waiting to grow up to be like you.*

MASTERPIECE...DAD

God took the strength of the mountain, the majesty of a tree, the warmth of a summer sun, the calm of a quiet sea, the generous soul of nature, the comforting arms of night. The wisdom of the ages, the power of the eagle's flight. The joy of a morning in spring, the faith of a mustard seed, the patience of eternity, the depth of a family's needs...God combined these qualities and when there was nothing more to add, He knew His masterpiece was complete and so He called it...*DAD.*

YOUR LIFE...DAILY NEW CHAPTER

Life is a journey, not a home; a road, not a habitation.

And the enjoyments and blessings we have along the way are but little inns on the roadside, where we may be refreshed for a moment in order that we may with new strength press on toward the goal.

You will meet today ten men and women; perhaps twenty, or perhaps a hundred.

Every one of them will have his or her day brightened or darkened by the tone and manner of your greeting.

You can put a little more spring into the step and little more joy into the heart of every one of them by a cheerful, confident salutation!

Every worthwhile accomplishment, big or little, has its stages of drudgery and triumph; a beginning, a struggle, and a victory.

A few wise friends with whom to counsel, a few good books to read and absorb, and with courage and faith we are well-equipped for the facing of life's difficulties and disappointments, as well as its pleasures and its successes.

Lives are made of chapters. After one is written, it cannot be revised.

But we can write a new chapter with each new day!

HAPPY FATHER'S DAY

Now and then it's time to say something in a special way, and so Fathers everywhere; May God grant you His special care. Give you health and happiness and all your families richly bless, not just while Father's Day is here, but each and every day of the year!
