BUILDING A LIFE

It has been said that one of the best rules for everyday life is to try always;

To be a little kinder than is necessary.

To be a little more self-forgetful than we are required to be,

To be a little more patient than is expected.

The more of these qualities we build into our lives, the diviner and lovelier our lives will be.

LOVE

I was just sitting here feeling the loneliness wishing for someone to care. Then I realized...*LOVE* isn't something you strive to get...but something you strive to *GIVE*.

ROOT OF HOPE

Faith is more than just a word, it's a feeling, deep and true, that with every passing hour hope is born a new. Faith means having courage to know, as days go by, that just as long as faith lives on...then hope can never die.

IN LOVE WITH LIFE

If you don't like life, it's the way you're liven': A little less takin', a bit more givin'; A little less hatin', a little more lovin'; A little more helpin', not so much shovin'; A little more smilin', and not so much strife. And soon you will be in *LOVE WITH LIFE*.

MARRIAGE /FORGIVENESS

Ask the happiest couple you know the secret of their marriage success. Chances are, they won't have an answer....they've been too busy working out a good life together. But here is a husband who spells out their team philosophy:

"It's a matter of doing for each other what human beings need most to have done. Giving each other the feeling **YOU'RE GREAT!** expressed not just in words but in subtler ways. Being on hand with encouragement, comfort, and reassurance...especially when the battle isn't going well.

Forgiveness...maybe tolerance is a more accurate term. "It's a mark of grace to be able to overlook our partner's mistakes and disregard some of his or her characteristic foibles. Tolerance implies a sense of humor. My wife has a healthy endowment of that! (She's been heard to say that if I had turned out to be the Prince Charming she dreamed of as a girl, I'd never have settled for her.

CHEERFULNESS

Cheerfulness removes rust from the mind, lubricates our inward machinery

If people were universally cheerful, probably there wouldn't be half the quarreling or a tenth part the wickedness there is.
