There is an evident effort in nature to be happy. Everything blossoms to express beauty, as well as lead to fruitage. Even the inorganic fashions itself into crystals that absorb and flash back the sunlight. If one examines nature with the microscope, or considers the heaven at night, he finds three things: truth as transparent, beauty beyond that which can be spoken, and goodness everywhere. God speaks through all things, with an eternal desire to create happiness. The deep distress in the world comes in when we lose our anchorage of faith in our God.

WONDERFUL WORD ENTHUSIASM

Enthusiasm is the key not only to the achievement of great things but to the accomplishment of anything that is worth while. Enthusiasm is a wonderful word, but more, it is a wonderful feeling. It is a way of life. It makes hard work easy...and enjoyable. There is no better tonic for depression, than enthusiasm. No person who is enthusiastic about his work has anything to fear from life. All the opportunities in the world are waiting to be grasped by the people who are in love with what they are doing. I have found enthusiasm for work and life to be the most precious ingredient in any recipe for successful living. And the greatest feature of this ingredient is that it is available to everyone....within himself.

RADIATE HAPPINESS

If you should have the slightest difficulty in keeping a smile upon your face, just keep your heart smiling!

When his heart smiles, one is so filled with smiles and happiness that his countenance just breaks forth into smiling.

The smiles of the smiling heart are not cold or assumed; consequently when the warm, generous smiles of the smiling heart express themselves, smiles radiate in every direction. In the smiling heart are Love and God!

FRIENDS ARE PRECIOUS

Make all the friends you can. Keep all the friends you make. And when you meet a stranger, give his hand a hearty shake. For of all the countless treasures which in time may come your way, there will be nothing quite as precious as the friends you make today.

LOVE ENLIGHTEN

Love is the sunshine of the soul. Without it we get hard and sour, and we never grow into what we could be. Love sweetens the bitterness of experience, and softens the core of selfishness which is inherent in human nature.

EVERYTHING BEGINS AT HOME

Home is the beginning point; not just the good, but all too often what is evil also. Honesty begins at home. Respect for law and order begins at home. A sense of duty begins at home. Respect for people of other color and creed begins at home. And religion has its first beginning in the home.

THINGS YOU WILL NEVER REGRET

Showing kindness to an aged person. Destroying the letter written in anger.
Offering an apology that saves a friendship. Stopping a scandal that is ruining a reputation.
Taking time to show consideration to your parents. Remembering God in all things.

FRIENDSHIP

A kind mouth multiplies friends and gracious lips prompt friendly greetings.
A faithful friend is a sturdy shelter, he who finds one finds a treasure.
A faithful friend is beyond price, no sum can balance his worth.

MOMENT WITH GOD

A moment spent with God restores...The insight which we need.
A moment spent with God prevents...A hateful word or deed.
A moment spent with God can turn...Profound despair to hope.
A moment spent with God converts...Un-wisdom to sound sense.
A moment spent with God can change...deep fear to confidence.
A moment spent with God can set...the sin-bound captive free.
A moment spent with God transforms...defeat to victory.
